

# 4-18 基本建设新增生产能力(2002年)

## Newly Increased Production Capacity (2002)

| 生产能力(或效益)名称         | Item                                                  | 合计      | 国有经济                 | 其他经济                     |
|---------------------|-------------------------------------------------------|---------|----------------------|--------------------------|
|                     |                                                       | Total   | State-owned Economic | Other Types of Ownership |
| 水力发电(万千瓦)           | Hydropower (10000kw)                                  | 10.43   | 3.45                 | 6.98                     |
| 火力发电(万千瓦)           | Thermal (10000kw)                                     | 1.50    | 1.50                 |                          |
| 输电线路长度(11万伏及以上)(公里) | Transmission Line (>110000 v) (km)                    | 501.67  | 501.67               |                          |
| 变电设备(11万伏及以上)(万千伏安) | Electric Substation Equipment (>110000 v)(10000 kva)  | 120.36  | 120.36               |                          |
| 化学纤维(吨/年)           | Chemical Fiber (ton/year)                             | 2200    |                      | 2200                     |
| 其中:合成纤维(吨/年)        | Synthetic Fiber (ton/year)                            | 2200    |                      | 2200                     |
| 机制纸(万吨/年)           | Machine-made Paper (10000 tons/year)                  | 3.60    | 0.20                 | 3.40                     |
| 新建公路(公里)            | Length of New Highways (km)                           | 761.44  | 757.94               | 3.50                     |
| 其中:高速公路(公里)         | Expressway                                            | 416.60  | 416.60               |                          |
| 一级公路(公里)            | First-class Highway                                   | 24.68   | 24.68                |                          |
| 二级公路(公里)            | Second-class Highway                                  | 125.44  | 125.44               |                          |
| 改建公路(公里)            | Length of Reconstructed Highways (km)                 | 894.14  | 892.14               | 2.00                     |
| 二级公路(公里)            | Second-class Highway                                  | 350     | 348                  | 2                        |
| 新建独立公路桥梁(延长米)       | Newly Built Highway Bridge (extend metre)             | 5510    | 5510                 |                          |
| (座)                 | ( set)                                                | 8       | 8                    |                          |
| 新(扩)建客、货运站(个)       | Newly Built or Expanded Passenger and Freight Station | 4       | 4                    |                          |
| (平方米)               | (sq.m)                                                | 26963   | 26963                |                          |
| 耕地面积(万亩)            | Cultivated Land Area (10000 mu)                       | 5600.20 | 5600.20              |                          |
| 造林面积(万亩)            | Afforested Area (10000 mu)                            | 106.63  | 106.63               |                          |
| 水库容量(总库容)(亿立方米)     | Reservoir Capacity (100 million m <sup>3</sup> )      | 20.57   | 20.57                |                          |
| 有效灌溉面积(万亩)          | Effective Irrigated Area (10000 mu)                   | 56.29   | 56.29                |                          |
| 除涝面积(万亩)            | Flooded or Water Logged Area Under Control (10000 mu) | 3       | 3                    |                          |
| 粮食仓库(万公斤)           | Grain Storehouse (10000 kg)                           | 40844   | 39044                | 1800                     |
| (平方米)               | (sq.m)                                                | 152938  | 146728               | 6210                     |
| 商业冷藏库(万吨)           | Commercial Freezers (10000 tons)                      | 0.20    |                      | 0.20                     |
| 高等院校:学生席位(个)        | Number of Student seat of Universit and College       | 46750   | 44850                | 1900                     |
| 建筑面积(平方米)           | (sq.m)                                                | 260971  | 218471               | 42500                    |
| 中等学校:学生席位(个)        | Number of Student seat of Regular Secondary School    | 64667   | 60067                | 4600                     |
| 建筑面积(平方米)           | (sq.m)                                                | 404102  | 383092               | 21010                    |
| 小学校:学生席位(个)         | Number of Student seat of Primary School              | 31689   | 31689                |                          |
| 建筑面积(平方米)           | (sq.m)                                                | 248475  | 248475               |                          |
| 其他院校:学生席位(个)        | Number of Student seat of Other School                | 1938    | 1938                 |                          |
| 建筑面积(平方米)           | (sq.m)                                                | 8922    | 8922                 |                          |
| 公共图书馆:藏书量(万册(件))    | Collections of Public Library                         | 9       | 9                    |                          |
| 阅览室座席(个)            | Seating Capacity of Reading Room                      | 450     | 450                  |                          |
| 建筑面积(平方米)           | (sq.m)                                                | 3391    | 3391                 |                          |
| 医院病床(张)             | Number of Hospital Bed                                | 3330    | 3150                 | 180                      |
| 宾馆、旅馆、招待所客房数 (间)    | Number of Hotel Guest-Room                            | 2236    | 1346                 | 890                      |
| (平方米)               | (sq.m)                                                | 201485  | 79005                | 122480                   |
| 城市自来水供水能力(万吨/日)     | Capacity of City Tap Water Supply (10000 tons/day)    | 39      | 39                   |                          |
| 城市自来水管道路长度(公里)      | Length of City Tap Water Pipe (km)                    | 40.35   | 40.35                |                          |
| 城市污水日处理能力(万吨)       | Daily Disposal Capelines of Sewage (10000 tons)       | 15.00   | 15.00                |                          |
| 城市道路扩建长度(公里)        | Length of City Road Extended (km)                     | 149.11  | 147.20               | 1.91                     |
| 城市道路扩建面积(万平方米)      | Area of City Road Extended (10000 sq.m)               | 400.61  | 370.05               | 30.56                    |
| 城市排水管道铺设长度(公里)      | Length of Sewer Pipelines (km)                        | 57.89   | 57.89                |                          |
| 城市永久性桥梁(座)          | Number of City Bridge (unit)                          | 5       | 5                    |                          |
| 城市防洪堤长度(公里)         | Length of City Embarkment (km)                        | 222.24  | 222.24               |                          |
